

# TAKORADI TECHNICAL UNIVERSITY

# 2021/2022 ADMISSIONS

**Sale of application forms for admission to Master of Technology (M-Tech), 4-Year Bachelor of Technology (B-Tech.), 2-Year Bachelor of Technology (B-Tech. Top-Up), Higher National Diploma (HND), Diploma of Technology, Technical and Vocational Education Training (TVET), Certificates and Professional programmes for the 2021/2022 Academic Year.**

Applications are invited from suitably qualified candidates for admission into the following Programmes:

## A. SCHOOL OF GRADUATE STUDIES

### i. MASTER OF TECHNOLOGY PROGRAMMES (WEEKENDS)

- Master of Technology in Graphic Design
- Master of Technology in Textiles
- Master of Technology in Printing

#### PROGRAMME DURATION

The M-Tech shall be for two (2) years.

#### SUMMARY OF ENTRY REQUIREMENTS

Applicants with the following certificates are eligible to apply:

- Applicants with Bachelor of Technology (B-TECH), Bachelor of Art (BA), BA Communication Design/BFA/BA in Printing, Publishing Studies, Graphic Design or related Visual/Creative Art certificates, must possess a minimum of Second Class (Lower Division) from an accredited tertiary institution.
- Holders of equivalent first degree qualifications in related Visual/Creative Art from recognized academic or professional institutions in and or outside Ghana.

## B. FACULTY OF APPLIED ARTS AND TECHNOLOGY (FAAT)

### (I) 4-YEAR BACHELOR OF TECHNOLOGY PROGRAMMES (REGULAR)

1. Bachelor of Technology in Ceramics Design
2. Bachelor of Technology in Fashion Design
3. Bachelor of Technology in Graphic Design
4. Bachelor of Technology in Painting
5. Bachelor of Technology in Sculpture and Industrial Production
6. Bachelor of Technology in Textiles

#### SUMMARY OF ENTRY REQUIREMENTS

##### SSSCE/WASSCE APPLICANTS

- **SSSCE Candidates:** Applicants must possess six (6) passes (A-D) in all subjects, including English Language, Mathematics and Integrated Science/Social Studies and three (3) passes in elective subjects relevant to their area of specialization (Ceramics, Graphic Design, Bead Making, Basketry, Leatherworks, Clothing & Textiles, Sculpture, Picture Making, Jewelry, Woodwork, Metalwork and General Knowledge in Art) relevant to the area of specialization.

- **WASSCE Candidates:** Applicants must possess six (6) credit passes (A1-C6) in all subjects, including English Language, Mathematics and Integrated Science/Social Studies and must possess a minimum of C6 in any three (3) elective subjects relevant to their area of specialization (Ceramics, Graphic Design, Bead Making, Basketry, Leatherworks, Clothing & Textiles, Sculpture, Picture Making, Jewelry, Woodwork, Metalwork and General Knowledge in Art) relevant to the area of specialization.

## (II) **BACHELOR OF TECHNOLOGY TOP-UP PROGRAMMES (WEEKENDS)**

1. Bachelor of Technology in Graphic Design
2. Bachelor of Technology in Ceramics
3. Bachelor of Technology in Textiles
4. Bachelor of Technology in Fashion Design
5. Bachelor of Technology in Sculpture and Industrial Production
6. Bachelor of Technology in Painting

### SUMMARY OF ENTRY REQUIREMENTS

#### HND/DIPLOMA HOLDERS

1. Applicants must possess, at least, HND 2<sup>nd</sup> Class (Lower Division) certificate in Graphic Design, Sculpture, Ceramics and Painting, Textiles and Fashion Design & Technology from any recognized University/Polytechnic. Candidates with equivalent qualifications/certificates can seek clarification from the Admissions Office.

## (III) **HIGHER NATIONAL DIPLOMA (HND) PROGRAMMES (REGULAR AND EVENING)**

1. HND Commercial Arts – Ceramics Option
2. HND Commercial Arts – Graphic Design Option
3. HND Commercial Arts – Painting Option
4. HND Commercial Arts – Sculpture Option
5. HND Commercial Arts – Textiles Option
6. HND Industrial Arts (Leather Option)
7. HND Fashion Design and Textiles Studies

### SUMMARY OF ENTRY REQUIREMENTS

#### • SSSCE/WASSCE APPLICANTS

- **SSSCE Candidates:** Applicants must have six (6) passes (A-D) in all subjects, including English Language and Mathematics and, at least, three (3) passes in elective subjects (Ceramics, Graphic Design, Bead Making, Basketry, Leatherworks, Clothing & Textiles, Sculpture, Picture Making, Jewelry, Woodwork, Metalwork and General Knowledge in Art) relevant to applicant's area of specialization.

- **WASSCE Candidates:** Applicants must have six (6) passes (A1-D7) in English Language, Mathematics and Integrated Science/Social Studies and must possess a minimum of C6 in any three (3) electives subjects (Ceramics, Graphic Design, Bead Making, Basketry, Leatherworks, Clothing & Textiles, Sculpture, Picture Making, Jewelry, Woodwork, Metalwork and General Knowledge in Art) relevant to the area of specialization.

#### • ADVANCE PAINTING AND DECORATION CERTIFICATE APPLICANTS

Applicants with Advanced P&D must also have SSSCE/WASSCE certificate with 4 passes including English Language and Mathematics can apply for any of the HND programmes under Faculty of Applied Arts and Technology (FAAT).

#### • NABPTEX AND TEU CERTIFICATE II

NABPTEX and TEU Certificate II applicants with passes in English Language and Mathematics can apply for any of the HND programmes under Faculty of Applied Arts and Technology (FAAT).

## (IV) **DIPLOMA OF TECHNOLOGY PROGRAMMES (REGULAR)**

1. Diploma of Technology in Arts and Design

### SUMMARY OF ENTRY REQUIREMENTS

#### (i) SSSCE/WASSCE APPLICANTS

- **SSSCE Candidates:** Applicants must have Five (5) passes (A-E) in all subjects, including English Language and Mathematics in (Ceramics, Graphic Design, Bead Making, Basketry, Leatherworks, Clothing & Textiles,

Sculpture, Picture Making, Jewelry, Woodwork, Metalwork and General Knowledge in Art) relevant to applicant's area of specialization.

- **WASSCE Candidates:** Applicants must have Five (5) passes (A1-E8) in all subjects, including English Language and Mathematics in (Ceramics, Graphic Design, Bead Making, Basketry, Leatherworks, Clothing & Textiles, Sculpture, Picture Making, Jewelry, Woodwork, Metalwork and General Knowledge in Art) relevant to the area of specialization.

#### (V) **DIPLOMA PROGRAMMES (REGULAR)**

1. Diploma in Fashion Design and Technology
2. Diploma in Sculpture Technology

##### **1. Diploma in Fashion Design and Technology**

- A pass or better in Intermediate dressmaking/fashion Certificate Examination.
- A pass in Two (2) Core and Two (2) elective in SSSCE/WASSCE or its equivalent.
- A pass in certificate course of NVTI or its equivalence in addition to a pass in BECE with one year working experience.
- A recognized equivalence in allied subjects and qualifications as stated above.

##### **2. Diploma in Sculpture Technology**

- Four (4) SSSCE/WASSCE passes comprising two (2) core subjects including English Language and Mathematics plus Two (2) Elective subjects.
- Four (4) GCE 'O' Level including English and Mathematics.
- A pass in English and Mathematics plus Intermediate Technician Part 1 in (Block Work, Woodwork, Metal Fabrication, Leatherwork).

#### (VI) **CERTIFICATE PROGRAMMES**

Applications are invited from suitably qualified candidates for admission into the underlisted Certificate Programmes:

1. Advanced Painting and Decoration
2. Certificate in Traditional Ghanaian Cottage Textiles and Craft (1year)
3. Certificate in Fashion Design and Technology (1year)
4. Certificate in Ceramics (1year)
5. Certificate in Graphic Design (6 months)

#### **SUMMARY OF ENTRY REQUIREMENTS**

##### **1. Advanced Painting and Decoration**

SSSCE/WASSCE applicants must have Four (4) passes (A1-E8) in English Language, Mathematics and two electives in relevant areas of specialization OR  
Intermediate Certificate in Painting and Decorating are also eligible to apply

##### **2. Certificates in Traditional Ghanaian Cottage Textiles and Craft**

- Applicants with SSSCE/WASSCE certificate or Art background
- Applicants with NVTI certificate
- Applicants with ICCESS foreign Nationals interested in Traditional Ghanaian Textiles
- Applicants from Youth Employment groups

##### **3. Certificate in Fashion Design and Technology (1year)**

- **Applicants should provide evidence of at least Three (3) years Artisanhip in any one or more of the following allied trades of fashion:** (Dressmaking, Tailoring, Batik, Tie and Dye, Embroidery, Footwear, Bags/Cases, Hats, Jewelry, Beauty Culture, Upholsteries, Cosmetics) plus proficiency in English language.
- Applicant must pass selection interview.

##### **4. Certificate in Ceramics (One Year)**

- Applicants with four (4) passes in SSSCE/WASSCE, including English Language and Mathematics
- Applicants with Four (4) passes in GCE 'O' Level including English Language and Mathematics
- Mature applicants of age not below 25 years with four (4) passes in SSSCE/WASSCE including English Language

- Advanced Certificate in Painting and Decorating and SSSCE/WASSCE pass in English or GCE 'O' Level credit pass in English.

## C. FACULTY OF APPLIED SCIENCES (FAS)

### (I) **4-YEAR BACHELOR OF TECHNOLOGY PROGRAMMES (REGULAR)**

1. Bachelor of Technology in Applied Statistics
2. Bachelor of Technology in Hospitality Management
3. Bachelor of Technology in Information Technology
4. Bachelor of Technology in Medical Laboratory Science
5. Bachelor of Technology in Tourism Management

#### SUMMARY OF ENTRY REQUIREMENTS

##### SSSCE/WASSCE APPLICANTS

- **SSSCE Candidates:** Applicants must possess six (6) passes (A-D) in all subjects, including English Language, Mathematics and Integrated Science and at least three (3) passes in elective subjects relevant to their area of specialization respectively as follows:
  1. (Mathematics, Economics, Geography, Government, Business Management, Accounting)
  2. (Food & Nutrition, Economics, French, Biology, Management in Living and GKA)
  3. (Economics, Geography, Government, Literature, Business Management, Mathematics, Physics, Accounting)
  4. (Elective Mathematics, Physics, Chemistry, Biology)
  5. (Food & Nutrition, Economics, French, Geography, History, CRS, Government, Literature, Business Management, Management in Living and GKA)
- **WASSCE Candidates:** Applicants must possess six (6) credit passes (A1-C6) in all subjects, including English Language and Mathematics and at least three (3) passes in elective subjects relevant to their area of specialization as follows:
  1. (Mathematics, Economics, Geography, Government, Business Management, Accounting)
  2. (Food & Nutrition, Economics, French, Biology, Management in Living and GKA)
  3. (Economics, Geography, Government, Literature, Business Management, Mathematics, Physics, Accounting)
  4. (Elective Mathematics, Physics, Chemistry, Biology)
  5. (Food & Nutrition, Economics, French, Geography, History, CRS, Government, Literature, Business Management, Management in Living and GKA)

### (II) **BACHELOR OF TECHNOLOGY TOP-UP PROGRAMMES (WEEKENDS)**

1. Bachelor of Technology in Applied Statistics
2. Bachelor of Technology in Hospitality Management
3. Bachelor of Technology in Information Technology
4. Bachelor of Technology in Tourism Management

#### SUMMARY OF ENTRY REQUIREMENTS

Applicants must possess, at least, HND 2<sup>nd</sup> Class (Lower Division) certificates in Tourism, Hospitality Management, Marketing, Statistics or Mathematics, Fashion Design and Commercial Arts from any recognized University/Polytechnic. Candidates with equivalent qualifications/certificates can seek clarification from the Admissions Office. Working experience will be an added advantage.

### (III) **HIGHER NATIONAL DIPLOMA PROGRAMMES (REGULAR AND EVENING)**

1. HND Pharmacy Technician (Dispensing Technology)
2. HND Hotel, Catering & Institutional Management
3. HND Information and Communication Technology
4. HND Medical Laboratory Technology
5. HND Science Laboratory Technology
6. HND Statistics
7. HND Tourism Management

## SUMMARY OF ENTRY REQUIREMENTS

### (i) SSSCE/WASSCE APPLICANTS

- SSSCE applicants with six (6) passes (A-D) and WASSCE applicants with six (6) passes (A1-D7) in all subjects, including English Language, Mathematics and Integrated Science and must possess a minimum of D (SSSCE) and C6 (WASSCE) in three (3) relevant electives OR area of specialization respectively as follows:
  1. (Food & Nutrition, Economics, French, Biology, Management in Living and GKA)
  2. (Economics, Geography, Government, Literature, Business Management, Mathematics, Physics, Accounting)
  3. (Elective Mathematics, Physics, Chemistry, Biology)
  4. (Mathematics, Economics, Geography, Government, Business Management, Accounting)
  5. (Food & Nutrition, Economics, French, Geography, History, CRS, Government, Literature, Business Management, Management in Living and GKA)

### (IV) DIPLOMA OF TECHNOLOGY PROGRAMMES (REGULAR)

1. Diploma of Technology in Hotel, Catering & Institutional Management
2. Diploma of Technology in Information and Communication Technology
3. Diploma of Technology in Science Laboratory Technology
4. Diploma of Technology in Statistics with Computing
5. Diploma of Technology in Tourism Management

## SUMMARY OF ENTRY REQUIREMENTS

### SSSCE/WASSCE APPLICANTS

- SSSCE applicants with Five (5) passes (A-E) and WASSCE applicants with five (5) passes (A1-E8) in all subjects, including English Language, Mathematics and Integrated Science and relevant electives OR area of specialization respectively as follows:
  1. (Food & Nutrition, Economics, French, Biology, Management in Living and GKA)
  2. (Economics, Geography, Government, Literature, Business Management, Mathematics, Physics, Accounting)
  3. (Mathematics, Physics, Chemistry, Biology)
  4. (Mathematics, Economics, Geography, Government, Business Management, Accounting)
  5. (Food & Nutrition, Economics, French, Geography, History, CRS, Government, Literature, Business Management, Management in Living and GKA)

### (V) DIPLOMA OF TECHNOLOGY PROGRAMMES (REGULAR)

1. Diploma of Technology in Hospitality Management
2. Diploma of Technology in Information and Technology
3. Diploma of Technology in Tourism Management

## SUMMARY OF ENTRY REQUIREMENTS

### SSSCE/WASSCE APPLICANTS

- SSSCE applicants with Four (4) passes (A-E) and WASSCE applicants with four (4) passes (A1-E8) in all subjects, including English Language, Mathematics and Integrated Science and relevant electives OR area of specialization.

### (VI) ONE YEAR CERTIFICATE PROGRAMMES

1. Science Laboratory Technician Part 1 Certificate (Regular)
2. Certificate in Tour Guiding (Evening and Weekend)
3. Certificate in Event Management (Evening and Weekend)
4. Certificate in Information Technology (Evening and Weekend)

## SUMMARY OF ENTRY REQUIREMENTS

### • **Science Laboratory Technician Part 1**

**SSSCE/WASSCE:** Applicants must have passes in English Language, Mathematics, Chemistry, Physics and Biology.

Applicants with NVTI Grade I and II and, at least, with relevant practical experience are also eligible to apply.

#### (VII) **ONE YEAR PRELIMINARY PROGRAMME IN STATISTICS**

The above-named programme has been designed to provide opportunity to applicants who do not meet the requirement for HND Statistics to pursue a one-year preliminary Course. **Successful candidates after the Programmes can apply directly for the HND Statistics programmes offered in the University.**

#### **SUMMARY OF ENTRY REQUIREMENTS**

- SSSCE/WASSCE applicants with E8 passes in English Language, Mathematics and Integrated Science are eligible to apply.

## **D. FACULTY OF BUSINESS STUDIES (FOBS)**

#### (I) **4-YEAR BACHELOR OF TECHNOLOGY PROGRAMMES (REGULAR)**

1. Bachelor of Technology in Accounting with Computing
2. Bachelor of Technology in Marketing
3. Bachelor of Technology in Procurement, Logistics and Supply Chain Management
4. Bachelor of Technology in Secretaryship and Management

#### **SUMMARY OF ENTRY REQUIREMENTS**

- **SSSCE/WASSCE APPLICANTS**
  - **SSSCE Candidates:** Applicants must have six (6) passes (A-D) in all subjects, including English Language, Mathematics and Integrated Science and, at least, three (3) credit passes in relevant elective subjects to their area of specialization.
  - **WASSCE Candidates:** Applicants must have six passes (A1-C6) in all subjects, including English Language and Mathematics and must possess a minimum of C6 in any three (3) of the passes relevant to their area of specialization.
  - **GBCE Candidates:** Credit Passes (A-D) in six subject comprising three core subjects including English Language and Mathematics plus three (3) relevant elective subjects.
  - **GCE Advance Level Candidates:** Passes in three (3) subjects. Applicants must also have credits passess (Grade 6) passes in five GCE Ordinary Level subjects including English Language, Mathematics and General/Agric Science.
  - **GCE Ordinary Level Candidates:** Applicants must have credit inat least (five) 5 passes including English Language, Mathematics and General/Agric Science and two (2) passes at GCE A-level plus a pass in General Paper.

#### (II) **BACHELOR OF TECHNOLOGY TOP-UP PROGRAMMES (WEEKENDS)**

1. Bachelor of Technology in Accounting with Computing
2. Bachelor of Technology in Marketing
3. Bachelor of Technology in Procurement Management
4. Bachelor of Technology in Secretaryship and Management Studies

#### **SUMMARY OF ENTRY REQUIREMENTS**

##### **HND/DIPLOMA HOLDERS**

- Applicants must possess, at least, HND 2<sup>nd</sup> Class (Lower Division) certificates in Accounting, Marketing, Secretaryship & Management Studies, Purchasing & Supply, Procurement, Supply Chain Management, Logistics, Freight Forwarding and Stores Management from any recognized University/Polytechnic. Candidates with equivalent qualifications/certificates can seek clarification from the Admissions Office.
- ICAG, ACCA, CIMA: Applicants with passes in at least level 2 of ICAG, ACCA, CIMA or equivalent are also eligible to apply.

- Advanced Diploma in Computerized Accounting: Holders of Advanced Diploma in Computerized Accounting or equivalent from a recognized tertiary institution can apply.

### (III) **HIGHER NATIONAL DIPLOMA PROGRAMMES (REGULAR AND EVENING)**

1. HND Accountancy
2. HND Marketing
3. HND Purchasing & Supply
4. HND Secretaryship & Management Studies

#### SUMMARY OF ENTRY REQUIREMENTS

##### • **SSSCE/WASSCE APPLICANTS**

- **SSSCE Candidates:** Applicants must have six (6) passes (A-D) in all subjects, including English Language, Mathematics and Integrated Science/Social Studies and, at least, three (3) passes in relevant elective subjects to their area of specialization.
- **WASSCE Candidates:** Applicants must have six passes (A1-D7) in all subjects, including English Language, Mathematics and Integrated Science/Social Studies and must possess a minimum of C6 in any three (3) of the passes relevant to their area of specialization.

### (IV) **DIPLOMA OF TECHNOLOGY PROGRAMMES (REGULAR)**

1. Diploma of Technology in Accounting
2. Diploma of Technology in Business Administration
3. Diploma of Technology in Marketing
4. Diploma of Technology in Office Management
5. Diploma of Technology in Procurement, Logistics and Supply Chain Management
6. Diploma of Technology in Secretaryship & Management Studies
7. Diploma of Technology in Human Resource Management

#### SUMMARY OF ENTRY REQUIREMENTS

##### **SSSCE/WASSCE APPLICANTS**

- **SSSCE Candidates:** Applicants must have Five (5) passes (A-E) in all subjects, including English Language, Mathematics and elective relevant to their area of specialization.
- **WASSCE Candidates:** Applicants must have Five (5) passes (A1-E8) in all subjects, including English Language, Mathematics and elective relevant to their area of specialization.

### (V) **TWO YEAR DIPLOMA IN BUSINESS STUDIES (DBS) PROGRAMMES**

1. DBS Accountancy
2. DBS Purchasing & Supply
3. Diploma in Office Management

#### SUMMARY OF ENTRY REQUIREMENTS

- Applicants must have four (4) SSSCE/WASSCE passes, comprising two core subjects (English Language and Mathematics **AND** two relevant elective subjects **OR**
- Four (4) GCE 'O' Level passes, including English Language & Mathematics **OR**
- Ghana Commercial Examination (GCE) Stage II (formerly RSA II) with passes in four (4) relevant subjects, including English Language and Mathematics.

### (VI) **PROFESSIONAL PROGRAMMES (EVENINGS AND WEEKENDS)**

1. Certificate in Logistics and Transport (CILT) (Evening)
2. Diploma in Logistics and Transport (DILT) (Evening and Weekend)
3. Advance Diploma in Logistics and Transport (ADILT) (Weekend)
4. ICAG (Evening and Weekend)

#### SUMMARY OF ENTRY REQUIREMENTS

PhD holders, Master's Degree, Bachelor's Degrees, HND, SSSCE, WASSCE, 'O' and 'A' Levels, DBS, RSA, GBCE, ABCE Etc.

**NOTE:** The Forms for the Professional programmes could be downloaded from [www.admissions.ttuportal.com](http://www.admissions.ttuportal.com)

For further enquiries on the professional programmes, please call 0244794483 and 0543877136.

## E. FACULTY OF ENGINEERING (FOE)

### (I) 4-YEAR BACHELOR OF TECHNOLOGY PROGRAMME (REGULAR)

1. Bachelor of Technology in Civil Engineering
2. Bachelor of Technology in Electrical/ Electronics Engineering
3. Bachelor of Technology in Mechanical Engineering
4. Bachelor of Technology in Petroleum Engineering
5. Bachelor of Technology in Processing Engineering
6. Bachelor of Technology in Renewable Energy Engineering
7. Bachelor of Technology in Welding and Fabrication

### SUMMARY OF ENTRY REQUIREMENTS

#### SSSCE/WASSCE APPLICANTS

- **SSSCE Candidates:** Applicants must possess six (6) passes (A-D) in all subjects, including English Language, Mathematics and Integrated Science and at least three (3) passes in elective subjects relevant to their area of specialization (Engineering Science, Elective Mathematics, Physics, Chemistry, Metal Work and Technical Drawing).
- **WASSCE Candidates:** Applicants must possess six (6) passes (A1-C6) in all subjects, including English Language and Mathematics and must possess a minimum of C6 in any three (3) passes in elective subjects relevant to their area of specialization (Engineering Science, Elective Mathematics, Physics, Chemistry, Metal Work and Technical Drawing).

### (II) BACHELOR OF TECHNOLOGY TOP-UP PROGRAMMES (WEEKENDS)

1. Bachelor of Technology in Civil Engineering
2. Bachelor of Technology in Electrical Engineering
3. Bachelor of Technology in Mechanical Engineering
  - Plant and Production Option
  - Automotive Option
  - Refrigeration Option

### SUMMARY OF ENTRY REQUIREMENTS

#### HND/DIPLOMA HOLDERS

- Applicants must have, at least, HND 2<sup>nd</sup> Class (Lower Division) certificates in Civil Engineering, Electrical/Electronic Engineering, Telecommunication Engineering, Mechanical Eng. (Plant, Auto, Production, Ref. & Air-Conditioning Options), from any recognized University/Polytechnic. Candidates with equivalent qualifications/certificates can seek clarification from the Admissions Office. Working experience will be an added advantage.

### (III) HIGHER NATIONAL DIPLOMA PROGRAMMES (REGULAR AND EVENING)

1. HND Civil Engineering – Competency-Based Training (CBT)
2. HND Electrical/ Electronics Engineering
3. HND Mechanical Engineering

### SUMMARY OF ENTRY REQUIREMENTS

#### • SSSCE/WASSCE APPLICANTS

- **SSSCE Candidates:** Applicants must possess six (6) passes (A-D) in all subjects, including English Language, Mathematics and Integrated Science and at least three (3) elective passes which must be relevant to their area of specialization (Elective Mathematics, Engineering Science, Physics, Chemistry, Metal Work, Vehicle Technology, I.C. Engines, Workshop Process & Practice and Technical Drawing).
- **WASSCE Candidates:** Applicants must possess six (6) passes (A1-D7) in all subjects, including English Language and Mathematics and must possess a minimum of C6 in any three (3) of the passes relevant to their area of specialization (Elective Mathematics, Engineering Science, Physics, Chemistry, Metal Work, Vehicle Technology, I.C. Engines, Workshop Process & Practice and Technical Drawing).

#### (IV) **DIPLOMA OF TECHNOLOGY PROGRAMMES (REGULAR)**

1. Diploma of Technology in Civil Engineering
2. Diploma of Technology in Electrical and Electronics Engineering
3. Diploma of Technology in Mechanical Engineering
4. Diploma of Technology in Refrigeration, Heating and Air-Conditioning
5. Diploma of Technology Welding & Fabrication

#### **SUMMARY OF ENTRY REQUIREMENTS**

##### **SSSCE/WASSCE APPLICANTS**

- **SSSCE Candidates:** Applicants must possess Five (5) passes (A-E) in all subjects, including English Language, Mathematics and electives relevant to the area of specialization (Elective Mathematics, Engineering Science, Physics, Chemistry, Metal Work and Technical Drawing).
- **WASSCE Candidates:** Five (5) passes (A1-E8) in all subjects, including English Language, Mathematics and electives relevant to the area of specialization (Elective Mathematics, Engineering Science, Physics, Chemistry, Metal Work and Technical Drawing).

#### (V) **TECHNICAL AND VOCATIONAL EDUCATIONAL TRAINING (TVET) PROGRAMMES**

1. Electrical Engineering Technician (EET) (Part I and II) (1year)
2. Motor Vehicle Technician (MVT) (Part I and II) (1year)
3. Mechanical Engineering Technician (MET) (Part I and II) (1year)
4. Welding Advanced (1year)

#### **SUMMARY OF ENTRY REQUIREMENTS**

Applicants must have passes in four (4) SSSCE/WASSCE subjects, including English Language and Mathematics, four (4) passes in General Engineering Examination, Intermediate Mechanical Engineering (Mechanical Engineering Craft Practices), Electrical Installation Work Certificate. Telecommunication Technician Part II, **OR** five GCE 'O' Level passes in English Language, Mathematics, Physics, Technical Drawing, Applied Electricity or Basic Electronics **OR** four (4) passes in (including Mathematics and English Language) in the SSSCE or WASSCE examination.

##### **Welding Advanced**

Craft certificate in Welding **OR** 4 passes in WASSCE/SSCE including Mathematics and English language

#### **ACCESS PROGRAMME FOR TECHNICAL/VOCATIONAL APPLICANTS**

The above-named programme has been designed to provide opportunity to students with Technical/Vocational and science educational background to pursue a one-year Access Course in English Language, Mathematics and Science.

#### **SUMMARY OF ENTRY REQUIREMENTS**

- Applicants should possess a minimum qualification of G.E.S. Technical Exams Unit's Certificate /Intermediate or its equivalent.
- SSSCE/WASSCE Science students with passes are eligible to apply.

**NOTE:** Successful candidates after the Access Programmes can apply for any of the HND programmes offered in the University.

#### (VI) **OIL AND GAS COURSES AT THE JUBILEE TECHNICAL TRAINING CENTRE (JTTC)**

##### **1. INSTRUMENTATION ENGINEERING**

- City And Guilds Advanced Award in Oil and Gas Instrumentation Maintenance (8510-06)
- City And Guilds Advanced Award in Oil and Gas Maintenance (Core Skills) 8510-01

##### **2. MECHANICAL ENGINEERING**

- City And Guilds Advanced Award in Oil and Gas Mechanical Maintenance 8510-02
- City And Guilds Advanced Award in Oil and Gas Maintenance (Core Skills) 8510-01

### 3. ELECTRICAL ENGINEERING

- City And Guilds Advanced Award in Oil and Gas Electrical Maintenance 8510-04
- City And Guilds Advanced Award in Oil and Gas Maintenance (Core Skills) 8510-01

### 4. PROCESS ENGINEERING

- City And Guilds Advanced Award in Oil and Gas Process Technician 8510-09
- City And Guilds Advanced Award in Oil and Gas Process Technician (Core Skills) 8510-08

5. Level 3 NEBOSH Health & Safety International General Certificate (IGC)

6. Tailor made short courses in Health and Safety, Mechanical, Electrical, Process and Instrumentation Appreciations

### SUMMARY OF ENTRY REQUIREMENTS

Prospective applicants must have a minimum of SSSCE, WASSCE, Part I of GES Technical and Vocational Training certificates or its equivalent. Applicants with certificates in EET I, II & III, MET I, II & III and MVT I, II & III may also apply. Two years working experience will be an added advantage.

**NOTE:** The Forms for the Oil and Gas Courses can be obtained at the JTTC Office at the Takoradi Technical University (main campus) or can be downloaded from [www.admissions.ttuportal.com](http://www.admissions.ttuportal.com).

For further enquiries on the Oil and Gas Courses, please call 0505088851.

## F. FACULTY OF BUILT AND NATURAL ENVIRONMENT (FBNE)

### (I) 4-YEAR BACHELOR OF TECHNOLOGY PROGRAMMES

1. Bachelor of Technology in Construction
2. Bachelor of Technology in Interior Design
3. Bachelor of Technology in Plumbing and Gas

### SUMMARY OF ENTRY REQUIREMENTS

#### • SSSCE/WASSCE APPLICANTS

- **SSSCE Candidates:** Applicants must have obtained six (6) passes (A-D) in all subjects, including English Language, Mathematics and Integrated Science and, at least, three (3) elective passes in Elective Mathematics, Physics, Engineering Science, Metal Work, Wood Science, Chemistry, Woodwork, Technical Drawing or Agricultural Science, History, Building Construction, Plumbing, Geography, Economics and Government relevant to their area of specialization.
- **WASSCE Candidates:** Applicants must have obtained six (6) credit passes (A1-C6) in all subjects, including English Language, Mathematics and Integrated Science and in any three (3) elective passes in Elective Mathematics, Physics, Engineering Science, Metal Work, Wood Science, Chemistry, Woodwork, Technical Drawing or Agricultural Science, Building Construction, Plumbing, Geography, Economics, Government, relevant to the area of specialization.
- **GCE Applicants** must have two (2) GCE 'A' Level passes including Mathematics and in addition candidates must have five (5) GCE 'O' level passes including English Language and Mathematics.

### (II) **BACHELOR OF TECHNOLOGY TOP-UP PROGRAMMES (WEEKENDS)**

1. Bachelor of Technology in Building
2. Bachelor of Technology in Interior Design

### SUMMARY OF ENTRY REQUIREMENTS

#### HND/DIPLOMA HOLDERS

- Applicants must possess, at least, HND 2<sup>nd</sup> Class (Lower Division) certificate in Building Technology, Construction Engineering and Management, Furniture Design & Production, Estate Management, and Interior Design from any recognized University/Polytechnic. Candidates with equivalent qualifications/certificates can seek clarification from the Admissions Office.
- Candidates with Construction Technicians Certificate (CTC) must have at least Credits in all Four (4) major components at CTC Part II (Old Scheme)/ CTC Part III (New Scheme) including passes in all project works and with Credits in English and Mathematics.

**NB:** All CTC Part II (old Scheme holders) and CTC Part III holders will go through a bridging programme for one semester before being enrolled onto the B-Tech.

### (III) **HIGHER NATIONAL DIPLOMA PROGRAMMES (REGULAR, EVENING)**

1. HND Construction Engineering & Management – Competency-Based Training (CBT)
2. HND Interior Design Technology – Competency-Based Training (CBT)
3. HND Estate Management
4. HND Plumbing Technology

#### **SUMMARY OF ENTRY REQUIREMENTS**

##### • **SSSCE/WASSCE APPLICANTS**

- **SSSCE Candidates:** Applicants must have obtained six (6) passes (A-D) in all subjects, including English Language, Mathematics and Integrated Science and, at least, three (3) elective passes in Elective Mathematics, Physics, Engineering Science, Chemistry, Woodwork, Technical Drawing or Agricultural Science, Geography, Economics, Government, relevant to their area of specialization.
- **WASSCE Candidates:** Applicants must have obtained six (6) passes (A1-D7) in all subjects, including English Language, Mathematics and Integrated Science and must possess a minimum of C6 in any three (3) elective passes in Elective Mathematics, Physics, Engineering Science, Chemistry, Woodwork, Technical Drawing or Agricultural Science, Geography, Economics, Government, relevant to the area of specialization.
- **GCE Applicants** must have two (2) GCE ‘A’ Level passes including Mathematics and in addition candidates must have five (5) GCE ‘O’ level passes including English Language and Mathematics.

### (IV) **DIPLOMA OF TECHNOLOGY PROGRAMMES (REGULAR)**

1. Diploma of Technology in Architectural Draftsmanship
2. Diploma of Technology in Construction Engineering & Management
3. Diploma of Technology in Estate Management
4. Diploma of Technology in Interior Design & Furnishing
5. Diploma of Technology in Plumbing
6. Diploma of Technology in Furniture Design

#### **SUMMARY OF ENTRY REQUIREMENTS**

##### **SSSCE/WASSCE APPLICANTS**

- **SSSCE Candidates:** Applicants must have obtained five (5) passes (A-E) in all subjects, including English Language, Mathematics and Integrated Science and, at least, Two (2) elective passes in Physics, Engineering Science, Chemistry, Woodwork, Metal Work, Technical Drawing, Agricultural Science, Geography, Economics, Government and other subjects relevant to their area of specialization.
- **WASSCE Candidates:** Applicants must have obtained five (5) passes (A1-E8) in all subjects, including English Language, Mathematics and Integrated Science and, at least, Two (2) elective passes in Physics, Engineering Science, Chemistry, Woodwork, Metal Work, Technical Drawing, Agricultural Science, Geography, Economics, Government and other subjects relevant to their area of specialization
- **GCE Applicants** must have five (5) GCE ‘O’ level passes including English Language and Mathematics.
- **NVTI Applicants** with certificates in Draughtmanship must also have a proof of working experience.
- **INTERMEDIATE CRAFT CERTIFICATE IN PLUMBING APPLICANTS**  
Applicants with Intermediate Craft Certificate in Plumbing seeking admission to pursue **HND Plumbing and Gas Technology** must have in addition SSSCE/WASSCE passes in English Language, Mathematics and Integrated Science.

### (V) **TECHNICAL AND VOCATIONAL EDUCATION AND TRAINING (TVET) PROGRAMME**

1. Construction Technician Course (CTC) (Part I and II) (1year)

#### **SUMMARY OF ENTRY REQUIREMENTS**

- **Construction Technician Certificate (CTC I)**  
Applicants should have General Course in Construction Certificate (GCC) or any four (4) SSSCE/WASSCE passes, including English Language and Mathematics.
- **Construction Technician Certificate (CTC II)**  
Applicants must have CTC I in this field of study

## **G. DISTANCE EDUCATION (BLENDED LEARNING MODE (BL MODE) PROGRAMMES**

The Distance Education (Blended Learning Mode) is to help provide alternative learning opportunities for workers, professional and others who cannot study through the regular, evening and weekend programmes of the University. The delivery mode include but not limited to monthly face-to-face/seminar, online services (Google Classroom, podcast, vodcast, Zoom, webinars, internet based audio and video communication and self-instructional modules.

### **i. HIGHER NATIONAL DIPLOMA PROGRAMMES**

1. HND Accountancy
2. HND Marketing
