

Sale of application forms for admission to Master of Technology (M-Tech), 4-Year Bachelor of Technology (B-Tech.), Bachelor of Technology (B-Tech. Top-Up), Higher National Diploma (HND), Diploma of Technology, Technical and Vocational Education Training (TVET), Certificates and Professional programmes for the 2023/2024 Academic Year.

Applications are invited from suitably qualified candidates for admission into the following programmes:

A. SCHOOL OF GRADUATE STUDIES

MASTER OF TECHNOLOGY PROGRAMMES (REGULAR/WEEKENDS)

1. Master of Technology in Graphic Design
2. Master of Technology in Textiles
3. Master of Technology in Printing
4. Master of Technology in Hospitality and Tourism
5. Master of Technology in Statistics
6. Master of Technology in Petroleum Engineering
7. Master of Technology in Mechanical Engineering
8. Master of Technology in Power Systems Engineering
9. Master of Technology in Construction Engineering Management
10. Master of Technology in Entrepreneurship, Innovation and Enterprise Development

PROGRAMME DURATION

The M-Tech shall be for two (2) years.

SUMMARY OF ENTRY REQUIREMENTS

Applicants with the following certificates are eligible to apply:

- Applicants with Bachelor of Technology (B-TECH), Bachelor of Art (BA), BA Communication Design/BFA/BA in Printing, Publishing Studies, Graphic Design or related Visual/Creative Art certificates.
- BA, BSc, BFA in Textiles and Fashion, Home Economics (Clothing).
- B-Tech/BSc/BA in Hospitality and Tourism.
- B-Tech/BSc/BA in Statistics
- B-Tech/BSc. in Petroleum Engineering
- B-Tech/BSc. in Mechanical Engineering
- B-Tech/BSc/BEng/BArch/BBEnv. in Construction Engineering Management, Civil Engineering, Construction Technology, Quantity Surveying, Building Technology and any other related programmes.
- B-Tech/BA in Marketing, Procurement, Tourism, Hospitality, Arts and any other related programmes.

- B-Tech/BSc. in Electrical/Electronic Engineering and other related programmes.
- Holders of equivalent first degree qualifications from any recognized academic or professional institutions in and or outside Ghana.

All applicants must possess a minimum of Second Class (Lower Division) from an accredited tertiary institution.

B. FACULTY OF APPLIED ARTS AND TECHNOLOGY (FAAT)

(I) 4-YEAR BACHELOR OF TECHNOLOGY PROGRAMMES (REGULAR)

1. Bachelor of Technology in Ceramics
2. Bachelor of Technology in Fashion Design
3. Bachelor of Technology in Graphics Design
4. Bachelor of Technology in Painting
5. Bachelor of Technology in Sculpture
6. Bachelor of Technology in Textiles

SUMMARY OF ENTRY REQUIREMENTS SSSCE/WASSCE APPLICANTS

SSSCE Candidates: Applicants must have grades (A-D) in six (6) subjects, including English Language, Mathematics, Integrated Science/Social Studies and any three (3) elective subjects relevant to their area of specialization (Ceramics, Graphic Design, Bead Making, Basketry, Leatherworks, Clothing & Textiles, Sculpture, Picture Making, Jewelry, Woodwork, Metalwork and General Knowledge in Art) relevant to the area of specialization.

WASSCE Candidates: Applicants must possess grades (A1-C6) in six (6) subjects, including English Language, Mathematics and Integrated Science/Social Studies and any three (3) elective subjects relevant to their area of specialization (Ceramics, Graphic Design, Bead Making, Basketry, Leatherworks, Clothing & Textiles, Sculpture, Picture Making, Jewelry, Woodwork, Metalwork and General Knowledge in Art) relevant to the area of specialization.

GCE A Level Candidates: Passes in three (3) subjects at least in grade D. In addition, the applicant must have credit passes in (Grade 6 or better) in five (5) O level subjects including English and Mathematics.

(II) BACHELOR OF TECHNOLOGY TOP-UP PROGRAMMES (WEEKENDS)

1. Bachelor of Technology in Graphic Design
2. Bachelor of Technology in Ceramics
3. Bachelor of Technology in Textiles
4. Bachelor of Technology in Fashion Design
5. Bachelor of Technology in Sculpture and Industrial Production
6. Bachelor of Technology in Painting

SUMMARY OF ENTRY REQUIREMENTS

HND/DIPLOMA HOLDERS

Applicants must possess, at least, HND 2nd Class (Lower Division) certificate in Graphic Design, Sculpture, Ceramics and Painting, Textiles and Fashion Design & Technology from any recognized University/Polytechnic. Candidates with equivalent qualifications/certificates can seek clarification from the Admissions Office.

(III) HIGHER NATIONAL DIPLOMA (HND) PROGRAMMES (REGULAR AND EVENING)

1. HND Commercial Arts – Ceramics Option
2. HND Commercial Arts – Graphic Design Option
3. HND Commercial Arts – Painting Option
4. HND Commercial Arts – Sculpture Option
5. HND Commercial Arts – Textiles Option
6. HND Industrial Arts (Leather Option)
7. HND Fashion Design and Textiles Studies

SUMMARY OF ENTRY REQUIREMENTS

SSSCE/WASSCE APPLICANTS

SSSCE Candidates: Applicants must have grades (A-D) in six (6) subjects, including English Language and Mathematics, Integrated Science/Social Studies and any (3) elective subjects (Ceramics, Graphic Design, Bead Making, Basketry, Leatherworks, Clothing & Textiles, Sculpture, Picture Making, Jewelry, Woodwork, Metalwork and General Knowledge in Art) relevant to applicant's area of specialization.

WASSCE Candidates: Applicants must have grades (A1-D7) in six (6) subjects, including English Language, Mathematics and Integrated Science/Social Studies and C6 or better in any three (3) elective subjects (Ceramics, Graphic Design, Bead Making, Basketry, Leatherworks, Clothing & Textiles, Sculpture, Picture Making, Jewelry, Woodwork, Metalwork and General Knowledge in Art) relevant to the area of specialization.

ADVANCE PAINTING AND DECORATION CERTIFICATE APPLICANTS

Applicants with Advanced P&D must also have SSSCE/WASSCE Certificate with 4 passes including English Language and Mathematics can apply for any of the HND programmes under the Faculty of Applied Arts and Technology (FAAT).

NABPTEX AND TEU CERTIFICATE II

NABPTEX and TEU Certificate II applicants with passes in English Language and Mathematics can apply for any of the HND programmes under the Faculty of Applied Arts and Technology (FAAT).

(IV) DIPLOMA OF TECHNOLOGY PROGRAMMES (REGULAR)

1. Diploma of Technology in Arts and Design
2. Diploma of Technology in Fashion

SUMMARY OF ENTRY REQUIREMENTS SSSCE/WASSCE APPLICANTS

SSSCE Candidates: Applicants must have grades (A-E) in Five (5) subjects, including English Language and Mathematics and any three (3) relevant elective subjects (Ceramics, Graphic Design, Bead Making, Basketry, Leatherworks, Clothing & Textiles, Sculpture, Picture Making, Jewelry, Woodwork, Metalwork and General Knowledge in Art) relevant to applicant's area of specialization.

WASSCE Candidates: Applicants must have grades (A1-E8) in Five (5) subjects, including English Language and Mathematics and any three (3) relevant elective subjects (Ceramics, Graphic Design, Bead Making, Basketry, Leatherworks, Clothing & Textiles, Sculpture, Picture Making, Jewelry, Woodwork, Metalwork and General Knowledge in Art) relevant to the area of specialization.

GCE 'O' and 'A' Level Candidates: Applicants must five(5) GCE 'O' passes including English and Mathematics plus three (3) 'A' Level passes.

NVTI Certificate II: Applicants with NVTI Certificate II and equivalent qualification.

(VI) CERTIFICATE PROGRAMMES

Applications are invited from suitably qualified candidates for admission into the under listed Certificate Programme:

1. Advanced Painting and Decoration

SUMMARY OF ENTRY REQUIREMENTS

Advanced Painting and Decoration

SSSCE/WASSCE applicants must have Four (4) passes (A1-E8) in English Language, Mathematics and two electives in relevant areas of specialization OR Intermediate Certificate in Painting and Decorating are also eligible to apply.

C. FACULTY OF APPLIED SCIENCES (FAS)

(I) 4-YEAR BACHELOR OF TECHNOLOGY PROGRAMMES (REGULAR)

1. Bachelor of Technology in Statistics with Computing
2. Bachelor of Technology in Hospitality Management
3. Bachelor of Technology in Information Technology
 - Data Management and Analytics Option
 - Software Engineering Option
 - Networking Option
 - Web Technology and Multimedia Option
4. Bachelor of Technology in Medical Laboratory Science
5. Bachelor of Technology in Tourism Management

SUMMARY OF ENTRY REQUIREMENTS SSSCE/WASSCE APPLICANTS

SSSCE Candidates: Applicants must have grades (A-D) in six (6) subjects, including English Language, Mathematics, Integrated Science and any three (3) elective subjects which are relevant to their area of specialization respectively as follows:

1. (Mathematics, Economics, Geography, Government, Business Management, Accounting)
2. (Food & Nutrition, Economics, French, Biology, Management in Living and GKA)
3. (Economics, Geography, Government, Literature, Business Management, Mathematics, Physics, Accounting)
4. (Elective Mathematics, Physics, Chemistry, Biology)
5. (Food & Nutrition, Economics, French, Geography, History, CRS, Government, Literature, Business Management, Management in Living and GKA)

WASSCE Candidates: Applicants must have grades (A1-C6) in six (6) all subjects, including English Language, Mathematics, Integrated Science and any three (3) elective subjects relevant to their area of specialization as follows:

1. (Mathematics, Economics, Geography, Government, Business Management, Accounting)
2. (Food & Nutrition, Economics, French, Biology, Management in Living and GKA)
3. (Economics, Geography, Government, Literature, Business Management, Mathematics, Physics, Accounting)
4. (Elective Mathematics, Physics, Chemistry, Biology)
5. (Food & Nutrition, Economics, French, Geography, History, CRS, Government, Literature, Business Management, Management in Living and GKA)

GCE Advanced Level Candidates: Passes in three (3) subjects. Applicants must also have credit passes (Grade 6) passes in five GCE Ordinary Level subjects including English Language, Mathematics and General/Agric Science.

(II) BACHELOR OF TECHNOLOGY TOP-UP PROGRAMMES (WEEKENDS)

1. Bachelor of Technology in Applied Statistics
2. Bachelor of Technology in Hospitality Management
3. Bachelor of Technology in Information Technology
 - Data Management and Analytics Option
 - Software Engineering Option
 - Networking Option
 - Web Technology and Multi Media Option
4. Bachelor of Technology in Tourism Management

SUMMARY OF ENTRY REQUIREMENTS

Applicants must possess, at least, HND 2nd Class (Lower Division) certificates in Tourism, Hospitality Management, Marketing, Statistics or Mathematics, Computer

Science, Fashion Design and Commercial Arts from any recognized University/ Polytechnic. Candidates with equivalent qualifications/certificates can seek clarification from the Admissions Office. Working experience will be an added advantage.

(III) HND PROGRAMMES

1. HND Dispensing Technology (Pharmacy Technician)
2. HND Medical Laboratory Technology
3. HND Science Laboratory Technology
4. HND Information and Communication Technology
5. HND Hotel, Catering & Institutional Management
6. HND Statistics
7. HND Tourism Management

SUMMARY OF ENTRY REQUIREMENTS SSSCE/WASSCE APPLICANTS

SSSCE applicants must have grades (A-D) in six (6) subjects and WASSCE applicants grades (A1-D7) in six (6) subjects, including English Language, Mathematics and Integrated Science and C6 or better in any three (3) relevant electives subjects in their area of specialization respectively as follows:

1. (Elective Mathematics, Physics, Chemistry, Biology and Agric. with Chemistry)
2. (Economics, Geography, Government, Literature, Business Management, Mathematics, Physics, Accounting)
3. (Food & Nutrition, Economics, French, Biology, Management in Living and GKA)
4. (Mathematics, Physics, Chemistry, Economics, Geography, Government, Business Management, Accounting)
5. (Food & Nutrition, Economics, French, Geography, History, CRS, Government, Literature, Business Management, Management in Living and GKA)

(IV) DIPLOMA OF TECHNOLOGY PROGRAMMES (REGULAR)

1. Diploma of Technology in Hotel, Catering & Institutional Management
2. Diploma of Technology in Information Technology (IT)
3. Diploma of Technology in Science Laboratory Technician
4. Diploma of Technology in Tourism Management

SUMMARY OF ENTRY REQUIREMENTS SSSCE/WASSCE APPLICANTS

SSSCE applicants with Five (5) passes (A-E) and WASSCE applicants with five (5) passes (A1-E8) in all subjects, including English Language, Mathematics and Integrated Science and relevant electives OR area of specialization respectively as follows:

1. (Food & Nutrition, Economics, French, Biology, Management in Living and GKA)

2. (Economics, Geography, Government, Literature, Business Management, Mathematics, Physics, Accounting)
3. (Mathematics, Physics, Chemistry, Biology)
4. (Mathematics, Economics, Geography, Government, Business Management, Accounting)
5. (Food & Nutrition, Economics, French, Geography, History, CRS, Government, Literature, Business Management, Management in Living and GKA)
6. Certificate in Science Laboratory Technician I from a recognized institution
7. City and Guilds Technician Part I (Science Laboratory Technician)

ACCESS PROGRAMME FOR TECHNICAL/VOCATIONAL APPLICANTS

The above-named programme has been designed to provide an opportunity to SSCE/WASSCE students who have deficiencies in English Language, Core Mathematics and students with Technical/Vocational and science educational background to pursue an Access Course in English Language, Mathematics and Science.

SUMMARY OF ENTRY REQUIREMENTS

Applicants should possess a minimum qualification of G.E.S. Technical Exams Unit's Certificate /Intermediate or its equivalent.

SSSCE/WASSCE Science students with passes are eligible to apply.

NOTE: *Successful candidates after the Access Programmes can apply for any of the HND/ Diploma of Technology programmes offered in the University.*

D. FACULTY OF BUSINESS STUDIES (FOBS)

(I) 4-YEAR BACHELOR OF TECHNOLOGY PROGRAMMES (REGULAR)

1. Bachelor of Technology in Accounting with Computing.
2. Bachelor of Technology in Marketing.
3. Bachelor of Technology in Procurement, Logistics and Supply Chain Management
4. Bachelor of Technology in Secretaryship and Management Studies

SUMMARY OF ENTRY REQUIREMENTS

SSSCE/WASSCE APPLICANTS

SSSCE Candidates: Applicants must have grades (A-D) in six (6) subjects, including English Language, Mathematics, Integrated Science/Social Studies and any three (3) elective subjects which are relevant to their area of specialization.

WASSCE Candidates: Applicants must have grades (A1-C6) in six subjects, including English Language, Mathematics, Integrated Science/Social Studies and any three (3) elective subjects which are relevant to their area of specialization.

GBCE Candidates: Credit Passes (A-D) in six subjects comprising three core subjects including English Language and Mathematics plus three (3) relevant elective subjects.

GCE Advanced Level Candidates: Passes in three (3) subjects. Applicants must also have credit passes (Grade 6) passes in five GCE Ordinary Level subjects including English Language, Mathematics and General/Agric Science.

GCE Ordinary Level Candidates: Applicants must have credit in at least (five) 5 passes including English Language, Mathematics and General/Agric Science and two (2) passes at GCE A-level plus a pass in General Paper.

(II) BACHELOR OF TECHNOLOGY TOP-UP PROGRAMMES (WEEKENDS)

1. Bachelor of Technology in Accounting
2. Bachelor of Technology in Marketing
3. Bachelor of Technology in Procurement Management
4. Bachelor of Technology in Secretaryship and Management Studies

SUMMARY OF ENTRY REQUIREMENTS

HND/DIPLOMA HOLDERS

Applicants must possess, at least, HND 2nd Class (Lower Division) certificates in Accounting, Marketing, Secretaryship & Management Studies, Purchasing & Supply, Procurement, Supply Chain Management, Logistics, Freight Forwarding and Stores Management from any recognized University/Polytechnic. Candidates with equivalent qualifications/certificates can seek clarification from the Admissions Office.

ICAG, ACCA, CIMA: Applicants with passes in at least level 2 of ICAG, ACCA, CIMA, CIM, CA, IHRMP or equivalent are also eligible to apply.

Advanced Diploma in Computerized Accounting: Holders of Advanced Diploma in Computerized Accounting or equivalent from an accredited tertiary institution can apply.

(III) HIGHER NATIONAL DIPLOMA PROGRAMMES (REGULAR AND EVENING)

1. HND Accountancy
2. HND Marketing
3. HND Procurement & Supply
4. HND Secretaryship & Management Studies

SUMMARY OF ENTRY REQUIREMENTS

SSSCE/WASSCE APPLICANTS

SSSCE Candidates: Applicants must have grades (A-D) in six (6) subjects, including English Language, Mathematics, Integrated Science/Social Studies and any three (3) elective subjects which are relevant to their area of specialization.

WASSCE Candidates: Applicants must have six passes (A1-D7) in all subjects, including English Language, Mathematics and Integrated Science/Social Studies and must possess a minimum of C6 in any three (3) of the passes relevant to their area of specialization.

GCE Advanced Level Candidates: Passes in three (3) subjects. Applicants must also have credit passes (Grade 6) passes in five GCE Ordinary Level subjects including English Language, Mathematics and General/Agric Science.

(IV) DIPLOMA OF TECHNOLOGY PROGRAMMES (REGULAR)

1. Diploma of Technology in Accounting
2. Diploma of Technology in Marketing
3. Diploma of Technology in Procurement, Logistics and Supply Chain Management
4. Diploma of Technology in Secretaryship & Management Studies

SUMMARY OF ENTRY REQUIREMENTS

SSSCE/WASSCE APPLICANTS

SSSCE Candidates: Applicants must have grades (A-E) in Five (5) subjects, including English Language, Mathematics and any elective subjects relevant to their area of specialization.

WASSCE Candidates: Applicants must have (A1-E8) in Five (5) subjects, including English Language, Mathematics and any three (3) elective subjects relevant to their area of specialization.

(VI) PROFESSIONAL PROGRAMMES (EVENINGS AND WEEKENDS)

1. Certificate in Logistics and Transport (CILT) (Evening)
2. Diploma in Logistics and Transport (DILT) (Evening and Weekend)
3. Advance Diploma in Logistics and Transport (ADILT) (Weekend)
4. CIMG (Evening and Weekend)

SUMMARY OF ENTRY REQUIREMENTS

PhD holders, Master's Degree, Bachelor's Degrees, HND, SSSCE, WASSCE, 'O' and 'A' Levels, DBS, RSA, GBCE, ABCE Etc.

NOTE: *The Forms for the Professional programmes could be downloaded from www.admissions.ttuportal.com*

For further enquiries on the professional programmes, please call 0244794483 and 0543877136.

E. FACULTY OF ENGINEERING (FOE)

(I) 4-YEAR BACHELOR OF TECHNOLOGY PROGRAMME (REGULAR)

1. Bachelor of Technology in Civil Engineering
2. Bachelor of Technology in Electrical/Electronics Engineering
3. Bachelor of Technology in Mechanical Engineering
4. Bachelor of Technology in Petroleum Engineering
5. Bachelor of Technology in Process Engineering
6. Bachelor of Technology in Renewable Energy Engineering
7. Bachelor of Technology in Welding and Fabrication

SUMMARY OF ENTRY REQUIREMENTS SSSCE/WASSCE APPLICANTS

SSSCE Candidates: Applicants must possess grades (A-D) in six (6) subjects, including English Language, Mathematics and Integrated Science and any three (3) elective subjects relevant to their area of specialization (Engineering Science, Elective Mathematics, Physics, Chemistry, Metal Work and Technical Drawing).

WASSCE Candidates: Applicants must possess (A1-C6) in six (6) subjects, including English Language, Mathematics, Integrated Science and any three (3) elective subjects relevant to their area of specialization (Engineering Science, Elective Mathematics, Physics, Chemistry, Metal Work and Technical Drawing).

(II) BACHELOR OF TECHNOLOGY TOP-UP PROGRAMMES (WEEKENDS)

1. Bachelor of Technology in Civil Engineering.
2. Bachelor of Technology in Electrical Engineering:
 - Power Systems Option
 - Control Systems Option
 - Telecommunication Option
3. Bachelor of Technology in Mechanical Engineering:
 - Plant Option
 - Production Option
 - Automotive Option
 - Refrigeration Option
4. Bachelor of Technology in Welding and Fabrication.

SUMMARY OF ENTRY REQUIREMENTS HND/DIPLOMA HOLDERS

Applicants must have, at least, HND 2nd Class (Lower Division) certificates in Civil Engineering, Electrical/Electronic Engineering, Telecommunication Engineering, Mechanical Eng. (Plant, Auto, Production, Ref. & Air-Conditioning Options), from an accredited

University/Polytechnic. Candidates with equivalent qualifications/certificates can seek clarification from the Admissions Office. Working experience will be an added advantage.

(III) HIGHER NATIONAL DIPLOMA PROGRAMMES (REGULAR AND EVENING)

1. HND Civil Engineering – Competency-Based Training (CBT)
2. HND Electrical/Electronics Engineering
3. HND Mechanical Engineering (Plant Option)
4. HND Mechanical Engineering (Production Option)
5. HND Mechanical Engineering (Automotive Option)
6. HND Mechanical Engineering (Refrigeration Option)
7. HND Welding and Fabrication

SUMMARY OF ENTRY REQUIREMENTS SSSCE/WASSCE APPLICANTS

SSSCE Candidates: Applicants must possess grades (A-D) in six (6) subjects, including English Language, Mathematics and Integrated Science and any three (3) elective subjects which are relevant to their area of specialization (Elective Mathematics, Engineering Science, Physics, Chemistry, Metal Work, Vehicle Technology, I.C. Engines, Workshop Process & Practice, Air Conditioning and Technical Drawing).

WASSCE Candidates: Applicants must possess grades (A1-D7) in six (6) subjects, including English Language, Mathematics, Integrated Science and must have C6 or better in any three (3) elective subjects which are relevant to their area of specialization (Elective Mathematics, Engineering Science, Physics, Chemistry, Metal Work, Vehicle Technology, I.C. Engines, Workshop Process & Practice, Air Conditioning and Technical Drawing).

(IV) DIPLOMA OF TECHNOLOGY PROGRAMMES (REGULAR)

1. Diploma of Technology in Automotive Engineering
2. Diploma of Technology in Civil Engineering
2. Diploma of Technology in Electrical Engineering
3. Diploma of Technology in Mechanical Engineering

SUMMARY OF ENTRY REQUIREMENTS SSSCE/WASSCE APPLICANTS

SSSCE Candidates: Applicants must possess grades (A-E) in Five (5) subjects, including English Language, Mathematics and electives subjects relevant to the area of specialization (Elective Mathematics, Engineering Science, Physics, Chemistry, Metal Work and Technical Drawing).

WASSCE Candidates: Grades (A1-E8) in Five (5) subjects, including English

Language, Mathematics and electives relevant to the area of specialization (Elective Mathematics, Engineering Science, Physics, Chemistry, Metal Work and Technical Drawing).

(V) TECHNICAL AND VOCATIONAL EDUCATIONAL TRAINING (TVET) PROGRAMMES

1. Electrical Engineering Technician (EET) Part I (1year)
2. Motor Vehicle Technician (MVT) Part I (1year)
3. Mechanical Engineering Technician (MET) Part I (1year)
4. Welding Advance (1year)

SUMMARY OF ENTRY REQUIREMENTS

Applicants must have passes in four (4) SSSCE/WASSCE subjects, including English Language and Mathematics, four (4) passes in General Engineering Examination, Intermediate Mechanical Engineering (Mechanical Engineering Craft Practices), Electrical Installation Work Certificate. Telecommunication Technician Part II, **OR** five GCE 'O' Level passes in English Language, Mathematics, Physics, Technical Drawing, Applied Electricity or Basic Electronics **OR** four (4) passes in (including Mathematics and English Language) in the SSSCE or WASSCE examination.

Welding Advanced

Craft certificate in Welding OR 4 passes in WASSCE/SSCE including Mathematics and English language

(VI) OIL AND GAS COURSES AT THE JUBILEE TECHNICAL TRAINING CENTRE (JTTC)

1. INSTRUMENTATION ENGINEERING

- City And Guilds Advanced Award in Oil and Gas Instrumentation Maintenance (8510-06) • City And Guilds Advanced Award in Oil and Gas Maintenance (Core Skills) 8510-01

2. MECHANICAL ENGINEERING

- City And Guilds Advanced Award in Oil and Gas Mechanical Maintenance 8510-02
- City And Guilds Advanced Award in Oil and Gas Maintenance (Core Skills) 8510-01

3. ELECTRICAL ENGINEERING

- City And Guilds Advanced Award in Oil and Gas Electrical Maintenance 8510-04
- City And Guilds Advanced Award in Oil and Gas Maintenance (Core Skills) 8510-01

4. PROCESS ENGINEERING

- City And Guilds Advanced Award in Oil and Gas Process Technician 8510-09
- City And Guilds Advanced Award in Oil and Gas Process Technician (Core Skills) 8510-08

5. Level 3 NEBOSH Health & Safety International General Certificate (IGC)
6. Tailor-made short courses in Health and Safety, Mechanical, Electrical, Process and Instrumentation Appreciations.

SUMMARY OF ENTRY REQUIREMENTS

Prospective applicants must have a minimum of SSSCE, WASSCE, Part I of GES Technical and Vocational Training certificate or its equivalent. Applicants with certificates in EET I, II & III, MET I, II & III and MVT I, II & III may also apply. Two years working experience will be an added advantage.

NOTE: *The Forms for the Oil and Gas Courses can be obtained at the JTTC Office at the Takoradi Technical University (main campus) or can be downloaded from www.admissions.ttuportal.com. For further enquiries on the Oil and Gas Courses, please call 0505088851.*

F. FACULTY OF BUILT AND NATURAL ENVIRONMENT (FBNE)

(I) 4-YEAR BACHELOR OF TECHNOLOGY PROGRAMMES

1. Bachelor of Technology in Construction Technology
2. Bachelor of Technology in Interior Design and Wood Works
3. Bachelor of Technology in Plumbing Technology

SUMMARY OF ENTRY REQUIREMENTS

SSSCE/WASSCE APPLICANTS

SSSCE Candidates: Applicants must have grades (A-D) in six (6) subjects, including English Language, Mathematics and Integrated Science and any (3) electives subjects relevant to their area of specialization. (Elective Mathematics, Physics, Engineering Science, Metal Work, Wood Science, Chemistry, Woodwork, Technical Drawing or Agricultural Science, History, Building Construction, Plumbing, Geography, Economics and Government)

WASSCE Candidates: Applicants must have grades (A1-C6) in six (6) subjects, including English Language, Mathematics and Integrated Science and in any three (3) elective subjects relevant to the area of specialization. (Elective Mathematics, Physics, Engineering Science, Metal Work, Wood Science, Chemistry, Woodwork, Technical Drawing or Agricultural Science, Building Construction, Plumbing, Geography, Economics, Government).

GCE Applicants must have two (3) GCE 'A-Level passes including Mathematics and in addition candidates must have five (5) GCE 'O' level passes including English Language and Mathematics.

Diploma of Technology Applicants: must have good grades (at least with a Competent class award) in Construction Engineering Management, Interior Design and woodwork).

Technical Students Applications: Applicants must have a least credit passes in intermediate craftsmanship in addition to English Language and Mathematics.

(II) BACHELOR OF TECHNOLOGY TOP-UP PROGRAMMES (WEEKENDS)

1. Bachelor of Technology in Building Technology
2. Bachelor of Technology in Interior Design Technology
3. Bachelor of Technology in Plumbing and Gas

SUMMARY OF ENTRY REQUIREMENTS HND/DIPLOMA HOLDERS

Applicants must possess, at least, HND 2nd Class (Lower Division) certificate in Building Technology, Construction Engineering and Management, Plumbing Technology, Furniture Design & Production, Estate Management, and Interior Design from any recognized University. Candidates with equivalent qualifications/ certificates can seek clarification from the Admissions Office.

Candidates with Construction Technicians Certificate (CTC) must have at least Credits in all Four (4) major components at CTC Part II (Old Scheme)/ CTC Part III (New Scheme) including passes in all project work and with Credits in English and Mathematics.

Diploma of Technology Applicants: must have good grades (at least with a Competent class award) in Construction Engineering Management, Interior Design and woodwork)

NB: All **CTC Part II (old Scheme holders)** and **CTC Part III holders** will go through a bridging programme for one semester before being enrolled on the B-Tech.

(III) HIGHER NATIONAL DIPLOMA PROGRAMMES (REGULAR, EVENING)

1. HND Construction Engineering & Management – Competency-Based Training (CBT)
2. HND Interior Design Technology – Competency-Based Training (CBT)
3. HND Real Estate Management
4. HND Plumbing Technology

SUMMARY OF ENTRY REQUIREMENTS SSSCE/WASSCE APPLICANTS

SSSCE Candidates: Applicants must have grades (A-D) in six (6) subjects, including English Language, Mathematics and Integrated Science and, any three (3) elective

subjects relevant to their area of specialization. (Elective Mathematics, Physics, Engineering Science, Chemistry, Woodwork, Technical Drawing or Agricultural Science, Geography, Economics, Government).

WASSCE Candidates: Applicants must have grades (A1-D7) in six (6) subjects, including English Language, Mathematics and Integrated Science and C6 or better in any three (3) elective subjects relevant to the area of specialization (Elective Mathematics, Physics, Engineering Science, Chemistry, Woodwork, Technical Drawing or Agricultural Science, Geography, Economics, Government).

GCE Applicants must have two (3) GCE 'A-Level passes including Mathematics and in addition candidates

must have five (5) GCE 'O' level passes including English Language and Mathematics.

Diploma of Technology Applicants: must have good grades (at least with a Competent class award) in Construction Engineering Management, Interior Design and woodworks)

(IV) DIPLOMA OF TECHNOLOGY PROGRAMMES (REGULAR)

1. Diploma of Technology in Construction Engineering & Management
2. Diploma of Technology in Real Estate Management

SUMMARY OF ENTRY REQUIREMENTS

SSSCE/WASSCE APPLICANTS

SSSCE Candidates: Applicants must have grades (A-E) in five (5) subjects, including English Language, Mathematics and Integrated Science and, at least, Two (2) elective passes in Physics, Engineering Science, Chemistry, Woodwork, Metal Work, Technical Drawing, Agricultural Science, Geography, Economics, Government and other subjects relevant to their area of specialization.

WASSCE Candidates: Applicants must have grades (A1-E8) in five (5) subjects, including English Language, Mathematics and Integrated Science and, at least, two (2) elective passes in Physics, Engineering Science, Chemistry, Woodwork, Metal Work, Technical Drawing, Agricultural Science, Geography, Economics, Government and other subjects relevant to their area of specialization

GCE Applicants must have five (5) GCE 'O' level passes including English Language and Mathematics.

NVTI Applicants with certificates in Draughtmanship must also have proof of working experience.

Intermediate Craft Certificate in Plumbing applicants

Applicants with Intermediate Craft Certificate in Plumbing seeking admission to pursue **HND Plumbing and Gas Technology** must have in addition SSSCE/WASSCE passes in English Language, Mathematics and Integrated Science.

(V) TECHNICAL AND VOCATIONAL EDUCATION AND TRAINING (TVET) PROGRAMME

1. Construction Technician Course (CTC) (Part I) (1year)

SUMMARY OF ENTRY REQUIREMENTS

Construction Technician Certificate (CTC I)

Applicants should have General Course in Construction Certificate (GCC) or any four (4) SSSCE/WASSCE passes, including English Language and Mathematics.

Construction Technician Certificate (CTC II)

Applicants must have CTC I in this field of study

G. DISTANCE EDUCATION BLENDED LEARNING MODE (BL MODE) PROGRAMMES

Distance Education (Blended Learning Mode) is to help provide alternative learning opportunities for workers, professionals and others who cannot study through the regular, evening and weekend programmes of the University. The delivery mode includes but not limited to monthly face-to-face/seminar, online services (Google Classroom, podcast, vodcast, Zoom, webinars, internet based audio and video communication and self-instructional modules.

BACHELOR OF TECHNOLOGY PROGRAMMES (4-YEAR)

1. Bachelor of Technology in Accounting with Computing
2. Bachelor of Technology in Marketing
3. Bachelor of Technology in Procurement, Logistics & Supply Chain
4. Bachelor of Technology in Secretaryship & Management Studies

SUMMARY OF ENTRY REQUIREMENTS

SSSCE/WASSCE APPLICANTS

SSSCE Candidates: Applicants must have grades (A-D) in six (6) subjects, including English Language, Mathematics and Integrated Science/Social Studies and, any, three (3) elective subjects relevant to their area of specialization.

WASSCE Candidates: Applicants must have grades (A1-C6) in six (6) subjects, including English Language, Mathematics and Integrated Science/Social Studies and any three (3) elective subjects relevant to their area of specialization.

MATURE APPLICANTS

Candidates must *be* 25 years of age at the time of the submission of the application form and must pass a mature entrance examination. The date for the entrance examinations will be communicated to qualified applicants.

SPECIAL ENTRANCE EXAMINATIONS

All special entrance applicants in addition must pass a written examination in the relevant subject area.

Date for entrance exams will be communicated to qualified applicants.

H. CENTRE FOR LANGUAGES AND LIBERAL STUDIES

(I) DIPLOMA OF TECHNOLOGY IN COMMUNICATION AND MEDIA STUDIES

The programme is targeted at Communications Managers, Journalists, Bloggers, Content Managers of Social Media platforms, Public Relations Practitioners, Radio Presenters, DJs, and Announcers among others.

SUMMARY OF ENTRY REQUIREMENTS SSSCE/WASSCE APPLICANTS

SSSCE applicants with grades (A-E) in Five (5) subjects and **WASSCE** applicants with grades (A1-E8) in five (5) subjects, including English Language, Mathematics and Integrated Science/Social Studies and relevant electives OR area of specialisation.

Those with relevant experience in the media or communication industry are also eligible to apply.

(II) CERTIFICATE IN PROFICIENCY IN ENGLISH AS A FOREIGN LANGUAGE (SIX MONTHS)

This course is designed for Ghanaians and foreign nationals (French, German, Spanish etc) with little or no knowledge of the English Language.

SUMMARY OF ENTRY REQUIREMENTS

All persons interested in learning the English Language are eligible to apply.

For further enquiries please call or WhatsApp this **contact: +233 20 332 2251 and 0546253062**

I. INTERNATIONAL STUDENTS

All International Students should log on to www.admissions.ttuportal.com to download the International Students' application forms for free. For further enquiries, please **contact +233 20 332 2251**. This number is also on what sup for calls and chats. **Guidelines for international applicants**

1. Send an email to admissions@ttu.edu.gh indicating your first name and last name as well as phone number
2. A voucher will be sent to your mail
3. Logon to apply.ttuportal.com and fill the form

Prospective students should attach a copy of their passport or any national ID.

IF YOU DO NOT HAVE A PASSPORT, KINDLY OBTAIN ONE AS SOON AS POSSIBLE FOR IMMIGRATION PURPOSES.

J. MATURE APPLICANTS

Mature applicants for all Bachelor of Technology and HND (Regular, Evening and Distance) programmes must satisfy the following:

Candidates must *be* 25 years of age at the time of the submission of the application form and must pass a mature entrance examination. The date for the entrance examinations will be communicated to qualified applicants.

SPECIAL ENTRANCE EXAMINATION

Applicants with Technician I or II certificates who seek to enroll with the Faculty of Engineering but are without English Language and Mathematics must pass English Language and Mathematics Examinations to be administered by the University before gaining admission.

Stenography and Senior Stenography holders without English Language and Mathematics must also pass English Language and Mathematics Examinations to be administered by the University before gaining admission.

General Business Certificate (GBC) holders without English Language and Mathematics must also pass English Language and Mathematics Examinations to be administered by the University before gaining admission.

All special entrance applicants in addition must pass a written examination in the relevant subject area.

Date for entrance exams will be communicated to qualified applicants.
